To

The Chief Secretary to the Government of Mysore,
Bangalore.

Sir,

I have the honor to forward herewith a copy of Mysore Railway Auditor's letter No.R 505/1815 dated 22nd October 1925 in the matter of direct recruitment of clerks to his office and to state that I agree with him that the entertainment of men with the lower qualifications prescribed in the Government order referred to by the Auditor is detrimental to efficiency of work in a Railway Audit Office which deals with all the Foreign Railways and Government Departments in India. To ensure a higher standard of work, the recruitment should be restricted to men who have passed at least the S.S.L.C. Examination. I therefore request you will be so good as to issue,

with the sanction of Government a special order prescribing a pass in the S.S.L.C. Examination as the minimum qualification for clerk's places in the Railway Audit Office.

In view of the raising of the minimum educational qualification for appointments carrying a pay of Rs 25 to S.S.L.C, the Comptroller was requested to submit definite proposals in the matter of raising the minimum educational qualification for appointments carrying a pay exceeding Rs 25. according to existing rules, the qualifications prescribed for appts carrying a pay above Rs 35 is a pass in the first year B.A Examination of the Madras Univn Examination of the A graduate is required only for appointments carrying a pay above Rs 45. Even in the reorganisation, the scale of Divisional clerks in the Secretariat is fixed at Rs 45-5-60 Any lowering of the pay in the initial Office may affect the recruitment of graduates & therefore discontinuance with it is therefore desirable not to depart from the existing rules to the present.

2. The information which the Committee was requested to furnish was to fix the qualifications of candidates applying for appointments above Rs 25 & Rs 35. The implication of the audit's letter is that direct recruitment will be confined only to appointments above Rs 25 & Rs 40, for which graduates will be returned, the remaining vacancies in the intermediate grade being filled up by promotion. This is against the existing rules & there

In that case, in order to make a departure from the existing rules of recruitment, it appears sufficient for the present, if it is laid down that the Audit Dept the minimum qualification for appts carrying a pay of Rs 28 or below will be S.S.L.C. & for appts on Rs 30 & Rs 35, a pass 1st year B.A. Examination &; the pay of graduates may

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

The no of passed men is increasing every year and the better qualified men should I think, be given preference. This is an arrangement as much in the interests of the candidates seeking employment as of the Offices taking them. The candidates of any Community according to the policy of Govt may be taken but it is from every point of view, a retrograde measure to lower the qualifications for appointment when men possessing higher qualifications are available.

The Ry is a Commercial Dept and the selection of recruits should keep prominently in view the objectives of economy and the best means of promoting economy is to promote efficiency. I am therefore of opinion that of Candidates with higher qualifications than are necessary for places up to Rs 35 they should be given preference, as they keep down the cost of working railways.

EDUCATION BRANCH

Sir,

As desired in your letter No.E 2202/C.R.B. dated 3rd November 1925, I have the honor to forward herewith a copy of Railway Auditor's letter No.R 505/1815 dated 22-10-1925 re the raising of the minimum general educational qualifications for the posts of clerks in the Railway Audit Office.

I have the honor to be,
Sir,
Your most obedient servant,

T. Satyanarayana Rao
Comptroller.

Letter No.R 505/1815 dated 22nd October 1925 from the Auditor, Mysore Railways, Mysore, to the Comptroller in Mysore, Bangalore.

I have the honor to state that in accordance with paragraphs 2 and 4 of Government Order No.E.A. 2093-172/E.A. 14-21-7 dated 28th November 1921 laying down rules for making direct appointments to Government service the minimum qualifications for a person to be appointed to the last grade Rs.20-2-40 in this office is a pass in the Lower Secondary Examination or studying up to the Vth Form in an English or Kannada High School. Most of the applications received from Non-brahmins in response to vacancies notified in the Gazette are generally found to be from persons possessing only the minimum qualification. As all the work in this office is carried on in English, a person not knowing English is of no use at all and there is nothing to be gained by getting applications from persons knowing only Kanada. Even as regards persons knowing English I find that it will impair the efficiency of work if persons who have not passed at least the S.S.L.C. Examination are entertained. As the persons entering the office on Rs.20/- have eventually to do responsible and intelligent work and take the place of Superintendents and Accountants, I consider that recruitment should be restricted to persons who have at least passed the S.S.L.C. Examination. I therefore request you to write to Government and obtain a special order that the minimum qualification for clerk's places in this office is a pass in the S.S.L.C.

Letter No. R. Fl. 63/716/2696 dated 6th December 1925 from the Auditor, Mysore Railways, Mysore, to the Comptroller in Mysore, Bangalore.

With reference to your Memo. No.198/Rys dated 1st December 1925 asking me to send definite proposals for raising the minimum Educational qualification for direct recruitment in this office for appointments carrying a pay of above Rs.25/- as called for in letter No. E. 2764 C.R.B. dated 26-11-1925 from the Chief Secretary to the Government of Mysore, I have the honor to state as follows :-

2. Excepting for a few graduates who may be directly recruited on a comparatively high pay for eventually filling up -- responsible places of Superintendents, a person newly appointed to an Account Office has to start in the last grade and get promoted to higher places as he gains experience and vacancies occur. From the technical nature of the work to be done, new persons cannot ordinarily be entertained in intermediate grades. I would therefore say that new recruits to the clerical service of this office will be of two classes - graduates who are intended for filling up Superintendents' places eventually and S.S.L.C's who will do the ordinary work of the office and will form the bulk of the rank and file. Persons who have not -- passed the S.S.L.C. cannot for reasons already given by me in my previous letter No. Fl. 63/678/2579 dated 28-11-1925 be -- expected to do justice to the work and with the exception of the few graduates that may be required for the higher places, it is enough if the others have passed the S.S.L.C.

Linked file.

The minimum starting pay of a graduate may be fixed at Rs.40/- and of a S.S.L.C. at Rs.25/- and direct recruitment confined to these two classes.
